

Escalation

While we don't anticipate any problems, we have a system in place in case something goes awry.

STEP ONE

Report service issues to UPN at **1-866-963-4237**,
or **NOC@UPNFIBER.COM** 24x7x365.

STEP TWO

The escalation process provides another method for obtaining information and resolutions once an issue has been reported to UPN.

See next slide:

NOC Escalation

Order Escalations

While we don't anticipate any problems, we have a system in place in case something goes awry.

STEP ONE

To assist UPN in tracking and coordinating all necessary activities for resolving issues quickly, please include your UPN order number when escalating an issue.

STEP TWO

The escalation process provides another method for obtaining information and resolutions once an issue has been reported to UPN.

See below:

Level	Name	Email	Cell
1st	<i>Assigned Project Manager</i>	TBD	TBD
2nd	Tim Davis (CO, IA, IL, KC, NE) <i>Manager, Project Management</i>	timothy.davis@upnfiber.com	816.708.8294
2nd	Dan Murray (NM, TX) <i>Sr. Manager, Project Management</i>	dan.murray@upnfiber.com	816.206.6500
2nd	Brianne Fernandez (Wireless) <i>Manager, Project Management</i>	brianne.fernandez@upnfiber.com	816.602.2060
3rd	Kelly Ayars <i>SVP, Business Integration and Data Management</i>	kelly.ayars@upnfiber.com	816.286.5954

Billing Escalations

While we don't anticipate any problems, we have a system in place in case something goes awry.

STEP ONE

To assist UPN in tracking and coordinating all necessary activities for resolving issues quickly, please include your UPN circuit ID when escalating an issue.

STEP TWO

The escalation process provides another method for obtaining information and resolutions once an issue has been reported to UPN.

See below:
